

BUTE GREENWAY - PHASE 1

ENGAGEMENT HIGHLIGHTS

Key Takeaways

Bute Greenway is an important walking and rolling connection

80% walk (or wheel using an assisted device) on Bute Street at least once a week

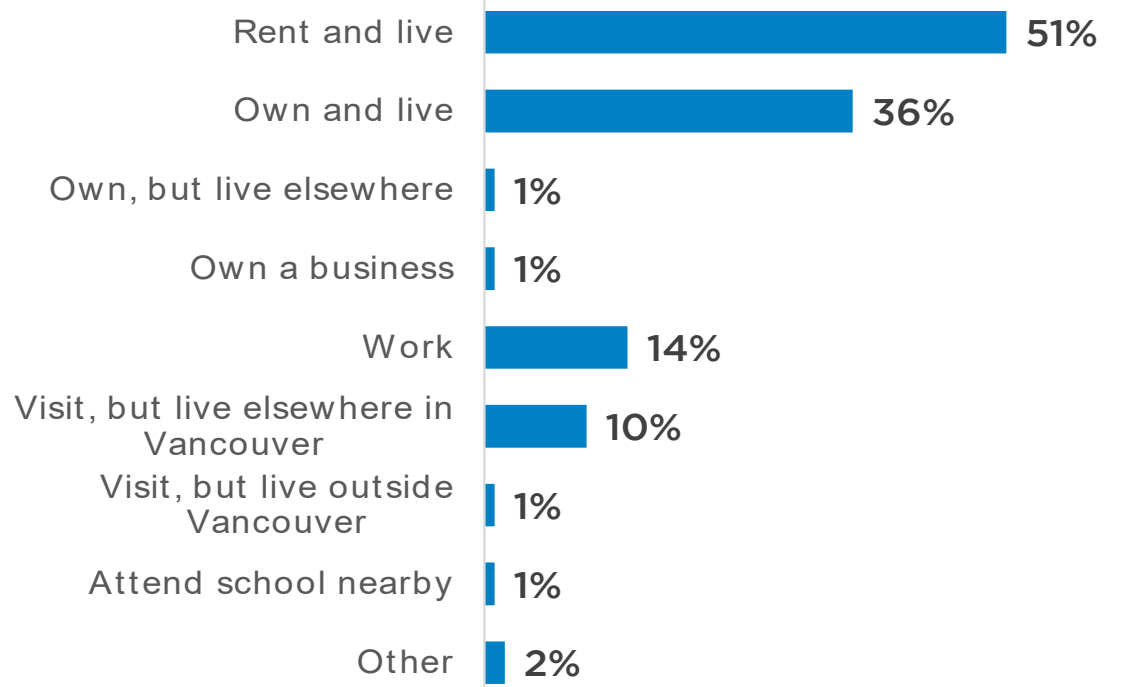

70% like the proposed conceptual design for a Permanent Bute-Robson

We heard support for the following plaza activities:

- Meeting friends
- Grabbing a coffee
- Checking out art displays
- Sitting and enjoying a pedestrianized space

What is your connection to Bute St? (Select all that apply)

60% said improving walking, biking, and rolling condition for all ages and abilities (AAA) was very important

Similar enthusiasm raised over improving green rainwater infrastructure (GRI) potential

Opportunities

- AAA cycling
- GRI

Concerns

- Vehicle circulation
- Impacts on traffic congestion
- Competing interests

Big Ideas for the Bute Greenway

Event spaces

Street art

Community gardens

Innovative & fun spaces
