COMMUNITY NEWSLETTER

Spring 2023- Newsletter #3

We recognize that we are on the unceded traditional territories of the xʷməθkʷəy̓əm (Musqueam), Sḵwəxwú7mesh (Squamish), and səliłwətaʔ (Tsleil-Waututh) Peoples.

Jericho Lands Update

Since launching the ʔəy'alməx^w/l'y'álməx^w/Jericho Lands planning program in March 2019, we have heard from thousands of people who have helped us identify key interests, ideas and opportunities that are important for the future of the site.

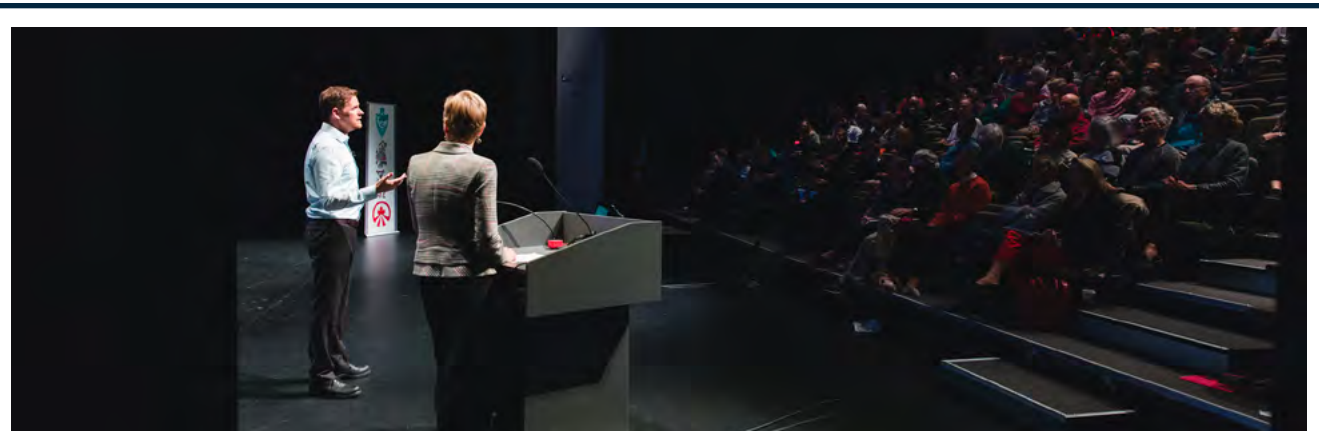

We last engaged the public in late 2021, when we sought your feedback on two conceptual site plan options. For much of 2022, the Jericho Lands project was paused while the landowners – a joint venture partnership between the xʷməθkʷəy̓əm (Musqueam) Indian Band, Sḵwəxwú7mesh (Squamish) Nation, and səliłwətaʔ (Tsleil-Waututh) Nation (MST Partnership) and Canada Lands Company (CLC) – focused on their Heather Lands project (see shapeyourcity.ca/heather-lands for more information).

Since fall 2022, the City project team has re-engaged with the landowners to analyze the feedback from public engagement to date, carry out further technical studies, and begin to work towards a conceptual site plan that will better reflect Indigenous design values and the importance of the site to the Nations. During this time, the landowners also conducted additional engagement with Host Nations Community Members.

This engagement has informed how MST culture will guide planning and design on the site.

Looking ahead, we intend to schedule public engagement opportunities in summer 2023 to share a preferred site concept and seek your feedback on it. In the meantime, we've added this new phase to the process (Phase 3.5). The intention of this phase is to provide you with a project and process update, as well as share outcomes of the engagement with Host Nations Community Members.

Upcoming Engagement Opportunities

Inspire Jericho Talk #5

Celebrating MST Culture - April 13, 2023

Come and hear from Cultural Liaisons from the xʷməθkʷəy̓əm (Musqueam), Sḵwəxwú7mesh (Squamish), and səliłwətaʔ (Tsleil-Waututh) Nations as they share how stories, ideas, wisdom and aspirations from their knowledge keepers, elders and communities set the foundation for planning and design of the ʔəy'alməx^w/l'y'álməx^w/Jericho Lands.

Registration opens March 6, 2023.

Summer 2023
Phase 4: Preferred Site Concept and Emerging Policies

Fall 2023
Draft Policy Statement for City Council Consideration

Planning Process

We currently are working towards Phase 4 of the planning process, where we will be seeking your feedback on a preferred concept plan and sharing emerging policies.

Ahead of this phase, we will be hosting a fifth Inspire Jericho Talk: Celebrating MST Culture at ʔəyálməxw/Iyálməxw/ Jericho Lands and releasing a set of online information boards (see page 1 for details).

Following Phases 3.5 and 4, we will develop the draft Jericho Lands Policy Statement for Vancouver City Council consideration (currently targeted for fall 2023). **With each upcoming phase engagement opportunities will be available.**

Phase 3 Engagement

Phase 3 of the planning program took place from June to December 2021. During this phase, two conceptual site plan options were introduced. These site concepts were shaped by the Council endorsed draft Guiding Principles and Emerging Site Planning Ideas. Through extensive community engagement, we received a range of feedback that's summarized in our Phase 3 Engagement Summary.

Host Nations Engagement

Over the past six months, the CLC/MST Partnership team has been engaging with MST leadership and community members on their aspirations for the site.

The output of this engagement is an MST Planning and Design Framework for ʔəyálməxw/Iyálməxw/the Jericho Lands which is available for review via the online information boards on the City's project web page.
